Success for all, through learning together.....

Last week a group of children in Years 3&4 visited Chaddlewood Primary to represent our school at a Plym Academy Trust Sports Tournament. During the morning the children took part in a range of activities including golf, archery, fencing, badminton, curling and boccia.

All of the children who participated did the school proud, showing great determination and team work. Mrs Tucker reported that they were a credit to the school! A particular well done to Ellen March in the Year 3 Blackbirds class who received the overall award for outstanding achievement during the morning from all of the children who took part across the 4 schools. An amazing achievement!

Girls Football Team

A big well done to the Year 6 girls who played against Woodford Primary in the Plymouth Schools Knockout Cup on Thursday. It was their first game as a team and although the result didn't go our way, they showed great team spirit and worked really hard throughout the game. We were certainly proud of their efforts. A big thank you to all the parents and grandparents who came along to support the girls!

Have you taken a career break from an engineering or a technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience? If so this could be the opportunity for you! Babcock are currently sourcing candidates for the Babcock 'STEM Returners' programme, a 13 week, fully paid and supported return to work programme starting in April 2019 in Plymouth. All candidates will also have the opportunity to obtain a permanent role at the end of the programme. No career break is too long, register to return to STEM today! For more information please visit www.stemreturners.com or email hello@stemreturners.com.

This week though our Jigsaw PSHE work we will be recognising and celebrating children across the school who:

Include others when working and playing

Learner of the Week Awards
