Success for all, through learning together.....

## CaterEd Parent survey

CATERed is the schools led local authority trading cooperative jointly owned by your child's school and the Council.

Their aim and objective is to buy fresh, seasonal, locally sourced produce and ingredients and to cook them from scratch each day in your child's school to produce great tasting, freshly prepared hot food which meets and exceeds the Governments Standards for School Food so that every child, regardless of the school they attend, gets the right food and nutrients to grow and learn.

To ensure they are doing the very best, CaterEd need your help & for you to tell them what you think! Please click on the link below.

We have been asked by the Westcountry Schools Trust to pass on the following information regarding Brexit.

*'As I am sure you will be aware, the UK government is planning to take the UK out of the European Union. In preparation for this, we are writing to all parents to ensure that both they and their children are prepared for the UK leaving the EU. If you are an EU, EEA or Swiss citizen, you and your family can apply to the EU Settlement Scheme to continue living in the UK after 30 June 2021. If your application is successful, you will be awarded either 'settled' or 'pre-settled' status. It is very important to bear in mind that you will also need to make an application for your child(ren) if they are not UK citizens. You may be able to stay in the UK without applying - for example, if you are an Irish citizen or have indefinite leave to remain (also known as 'permanent residency'). At the date of this letter, the deadline for applying is 30 June 2021. However, if the UK leaves the EU without a deal, then the deadline for applying will be 31 December 2020. To apply for settled or pre-settled status, you will need to make your application online at <https://www.gov.uk/settled-status-eu-citizens-families/applying-for-settled-status>.*

## Friends of Glen Park AGM

A reminder that the Friends will be holding their AGM meeting at the school in Little Buddies on Thursday 10th October at 3.30pm. All parents and carers are welcome to attend to find out more about how you can get involved in supporting the school through fund raising planned through the year. Last year the Friends raised over £11'000 for the school through the events that they organised and matched funding that they were able to secure from local businesses.

The children in Mrs Burstow's Year 3 Art Club have been busy over the last few weeks. They created these painted pebbles and made some leaf rubbings. I think that you will agree that we have some very talented artists in the year group!

This term in our Jigsaw work we will be exploring the theme of 'Being Me in My World'. This week work we will be recognising and celebrating children across the school who:

- **Work well with others.**
